Club President - Ken Hunter

Junior Activities Chairperson: This position remains vacant and is a priority to be filled. Please feel free to ask for an outline of the tasks to be performed in this role.

New Roller Doors: The new roller doors have been raised to the correct height which allows the ATV to fit in with a rescue board on top. This is a great improvement to the club both from an aesthetic and practical point of view.

Quarterly General Council Meeting: Is scheduled to be held in the North Kirra common room on Saturday the 24th of October commencing at 2:00 pm. A notice has been sent to all voting members and we look forward to seeing a strong turn out.

Membership is now due. Please ensure that you have signed up and paid prior to participating in any club activity.

Congratulations to Jason Rodgers on the birth of his daughter Emylee Jay Rodgers on Thursday 8th October. Mum, dad and daughter are well.

Club Captain - Michael Kearney

Patrol Attendance: I am pleased to report we have had a near perfect attendance record for the first four weeks of patrols which is a fantastic indication of the balance season to come. Please ensure this statistic remains strong by organising an appropriate substitute and alerting your patrol captain by the prior weekend to patrol if you are unable to attend.

Congratulations to our new bronze members: Craig Burge, Pat Gillett, Georgia Crawford, Jodie Wischnevsky, Alice MacDonald and Tom Russell. Congratulations and **Thanks** to Az Toodayan who successfully ran this course and is now a fully qualified trainer.

Afternoon Patrols: Please ensure that all equipment is properly washed down especially the ATV, Tractor and Arena. We have spent a considerable amount of money repairing the ATV and Tractor in the off season and ask that every member uses this appropriately. Please do not driver either of these vehicles through water (at any depth) except when unavoidable.

Club Security: Please ensure that every door and window is closed and locked at the end of each patrol. Please also ensure if no one is present at the club throughout the day the roller doors are closed.

New Skis: The new skis have been purchased and are going well. We have received good feedback from those who have used them and encourage those who haven't tried them out to do so.

New Sponsor: Chris Nussey and his company RDS Australia have generously offered their support as a major sponsor to North Kirra. In recognition of this, the patrol arena is decked out in their logo and it looks great!

Club Coach: I am pleased to announce Jamie McGuiggan as the Club Coach. Jamie will be in attendance Sunday morning from 8am to midday throughout the season. All members are encouraged to come and engage in fitness and skills training. For further information on training activities, please contact me.

Clubhouse Director - Harry Penkeyman

Bunk Rooms: All members are reminded only the dorms are to be used for accommodation. It is prohibited for any person to sleep in any other area of the club.

Gym Keys: There are now new gym keys which have been cut, any member who wishes to obtain a key must first pay a \$5 key deposit and sign the gymnasium code of conduct.

A reminder that it is the responsibility of all members to ensure the club is left in a clean and tidy condition. This includes the dorms, common room, kitchen and toilets!
