## Club President - Ken Hunter

I wish all members a very Merry Christmas and a Happy New Year. For those who are going away on holidays, I wish you a safe journey and look forward to your return. I would like to take this opportunity to thank each and every member for their contributions either on the beach, around the club or upstairs at the supporters club this year. We have had a fantastic year and the committee hope to continue this into 2009.

A new hot water system has been installed in both the surf and supporters clubs with the majority of the expense being funded through the State Government Energy Efficiency Scheme.

Nipper Break up day went well and are scheduled for return on Sunday 1 February 2009 at 9am.

When staying overnight at the clubhouse it is important that all members advise prior to their intended stay and fill out the register located on the notice board. This is a requirement for your safety and club reference.
